

Slider knobs

SIFAM's slider knobs are designed and shaped to provide a stylish appearance with ease of control. The extensive range, in a matt finish, is intended to suit the needs of both applications and users.

Various materials are used depending on the design. Where nylon is specified this will match the finish of other SIFAM control knobs and pushbuttons moulded in this material. Likewise soft touch versions complement the rotary push-on knobs with the same finish.

Slider knobs are available, as standard, with black body mouldings but other colours are available. Lines whether printed or moulded are supplied in white, as standard, but other colours are available to order and can complement control knobs and pushbuttons, if required. Available colours are referred to on Page 7. Apart from the tang sizes shown, others may be able to be accommodated.

Should you have a requirement not covered by our standard range, please contact the Sales Office.

Pushbuttons

SIFAM's pushbuttons are moulded in a matt-finish nylon to match the style and appearance of other SIFAM control knobs.

They are available, as standard, in black, grey, red and white. Other colours are available to order, please refer to Page 7. Should you have a requirement not covered by our standard range, please contact the Sales Office.

Special Printing

We are happy to offer our printing facility to those customers requiring special markings on our pushbutton products. Letters, numbers, symbols or logos may be printed to provide a high quality, durable, versatile and cost-effective added feature.

Please note that minimum order quantities apply to printed pushbuttons and other special requirements.
